Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
I know I'll always get by

I heat up, I cool down
When something gets in my way, I go 'round it
Don't let life get me down
Gonna take it the way that I found it

I got the music in me, I got the music in me
I got the music in me
I got the music in me, I got the music in me
I got the music in me

They say that life is a circle
But that ain't the way that I found it
Gonna move in a straight line
Keeping my feet firmly on the ground

I heat up, I cool down
I got words in my head so I say them
Don't let life get me down
Catch a hold of my blues and just play them

I got the music in me, I got the music in me
I got the music in me
I got the music in me, I got the music in me
I got the music in me

Feel funky, feel good
Gonna tell you I'm in the neighborhood
Gonna fly like a bird on a wing
Hold on to your hat
Honey, sing, sing, sing, sing

Heat up, cool down
I got words in my head so I say them
Don't let life get me down
Catch a hold of my blues and just play them

I got the music in me, I got the music in me

I got the music in me
I got the music in me, I got the music in me
I got the music in me

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened, I'm never worried
I know, I know, I know I'll get by

I got the music in me
I got the music in me
I got the music in me

I got the music in me, I got the music in me
I got the music in me
I got the music in me, I got the music in me

I got the music in me
I got the music in me
I got the music in me

I got the music, pretty music
I got the music in me
