Its too late and youre too tired
You need this time alone
Ain't no place for insecurity
Still I asked you, wait for me

Though I put myself down here
I hate this time alone
Though I put myself through all the things
That I had to fear from you

When you seem so far away
Need an angel for a day
Wrapped you in my broken wings
Couldnt fly away from you
And if I ever made you wait
Made you wonder if you hate me
Left you in a lonely place
Couldnt fly away from you

All my demons have retired
I hate this time alone
Find a place for this anxiety
Still I had to wait for you

Did I make a home down here?
I hate to be alone
Should I question my sobriety?
You know I wont wait for you
When you seem so far away
Need an angel for a day
Wrapped you in my broken wings
Couldnt fly away from you
And if I ever made you wait
Made you wonder if you hate me
Left you in a lonely place
Couldnt fly away from you

Im no angel
But all my demons have retired
Im no angel
Its too late and youre too tired
Its too late and youre too tired

When you seem so far away
Need an angel for a day
Wrapped you in my broken wings
Couldnt fly away from you
And if I ever made you wait
Made you wonder if you hate me
Left you in a lonely place
Couldnt fly away from, away, from you
