I feel like I'm famous

You don't need no money, you don't need no dollar,
You don't need no furs, you don't need no diamonds,
You don't need no girls, you don't need no calls.

When the bee drop show em I'm super star
Scream, scream like you're famous,
Jump, jump like you're famous
Shake, shake like you're famous,
Dance, dance like you're famous
Drink, drink like you're famous
Fuck, Fuck like you're famous,
Hold up, b*tch I'm famous.

Just look at that and I can see your star
Gotta tell you girl I'm impressed 'bout how you are
Everything is lying perfect with no...
The only thing you need is someone like me involved.

To break you all down I know you've been...
Just get... those clouds and I'll show you the way
Stop hanging around we can pay face time
Until the lights come down on you and make you
famous.

2 x
Girl, I can make you famous, just believe I can make
you famous
Girl, I can make you famous, just believe I can make
you famous

B*tch I'm famous
Ayyye, I feel like I'm famous
Ayyye, I feel like I'm famous

Lights, stars, money, cars,
Lights, stars, money, cars,
Lights, stars, money, cars,
When this beat drop let them know who you are

Chorus:
Scream, scream like you're famous,
Jump, jump like you're famous
Shake, shake like you're famous,
Dance, dance like you're famous
Drink, drink like you're famous
Fuck, fuck like you're famous,
Pose, pose like you're famous
Hold up, b*tch I'm famous.

Ayyye, I feel like I'm famous
