"One Night Stand"

Visit "[One Night Stand](#)" on MotoLyrics.com

I'm seein' me on top of you
Doing things that lovers do
But I don't belong to you
What's a girl suppose to do

Only need one night with you
To make all our dreams come true
You could never be my man
You can be my one night stand

Boy, I know you got a girl
And you know I've got a man
So let's both respect the game
And have a one night stand

Everybody wanna know
But they wouldn't understand
So let's keep it on the low
And have a one night stand

Well, it's about a quarter to three and
No one's lookin', it's just you and me
You know I'm down for whatever and I aim to please
But it's only for this one night
(One night, one night)

Boy, I hope you come well prepared
'Cause I want you to know that I ain't ever scared
You just make the RSVP and I'll be there
But it's only for this one night
(One night, one night)

Boy, I know you got a girl
And you know I got a man
So let's both respect the game
And have a one night stand

Everybody wanna know
But they wouldn't understand
So let's keep it on the low
And have a one night stand

Shawty, let me know what's up wit it
(Wit it)
Won't you let a real thug, hit it
(Hit it)
Stop playin' with these lames, ain't got no shame
The liquor is to blame
(You know it)

I just go to tell you this
(What's up)
Those lips I wanna kiss
(Yeah yeah)
That ass I gotta grab
(Grab)
Yo' shit I gotta stab
(Stab)

I got my baby mama
(Mama)
You got your baby daddy
(Daddy)
We got all night, look lil mama, get it right
Yo' shit is good and tight
(Tight)

I ain't 'bout them games shawty
(No)
You know my name shawty
(Yeah)
Just use yo' brains, if you know what I'm sayin'
It's a one night stand shawty

Boy, I know you got a girl
And you know I got a man
So let's both respect the game
And have a one night stand

Everybody wanna know
But they wouldn't understand
So let's keep it on the low
And have a one night stand

If you know how to keep a secret
You can get it fo' sure
Just make sure you get enough
'Cause you can't get it no more

If you know how to keep a secret
You can get it fo' sure
Just make sure you get enough
'Cause you can't get it no more

Come and ride out wit cha boy
(Wit cha boy)
Big Sam then filled with almond joy
(Almond joy)
Like I told you, I'm something just like a freak
(Like a freak)
So keep the games fo the mentally weak
(Mentally weak)

Damn you look so pretty
(So pretty)
With yo' big ol' ass and yo tig ol' bittys
Red bone, fine self, 5'9
(5'9)
For one night, I gotta make you mine
(Make you mine)

Yeah, I know you gotta a man shawty
(Shawty)
And you know I got a wife shawty
(Shawty)
So let's strap it up, I hope the pussys tight
We got one night shawty

I'm not tryin' to be your girlfriend
Just want a one night stand
You can't never be my boyfriend
Just want a one night stand

Boy, I know you got a girl
And you know I got a man
So let's both respect the game
And have a one night stand

Everybody wanna know
But they wouldn't understand
So let's keep it on the low
And have a one night stand

If you'll be my man, only for one night
And I'll be your girl, only for one night
If you'll be my man, only for one night
And I'll be your girl, only for one night
