So many words, so many songs

Too many hurts, and oh so many wrongs

All in the name of love (x2)

Love is faithful, love is true

How can this be love

Love is crumpled like the sheets on your bed

Desgarded promises, the vows that we said

All in the name of love (x2)

Love is faithful, love is true

How can this be love

(Chorus)

All in the name of love (x3)

Love is faithful

Love is true

How can this be love

Love is bleeding, innocence marred

Holding out, hands that are scarred

(Chorus)

All in the name of love (x3)

Love is faithful

Love is true

How can this be love
