There was a time in your life
When you thought you had everything uh-huh
You said that you wanted
More than you and i could ever build
When the day comes
And you find what's missing
There will be better days
Waiting here for you
Better days in your life
Gonna be
Better days waiting here for you
Better days in your life
Gonna be

mhhh hhh

mhhh hhh

mhhh hhh

mhhh hhh

There'll come a time in your life
When you see what I can give
More than you thought you wanted
All that you and I will build
When the day comes
And you find what's missing,
There will be better days
Waiting here for you
Better days in your life
There will be better days in your life
