Each day I try to explain to myself
Somehow you've got to live this day through
And get to grips of what is going on
Why is life a daily fight with weakness
Oh Lord, I want to know
I sit at home, a sleepless night
To figure out and trying to find the point
Of what's going on, alone, yet not alone
People live together as strangers
Oh children of lost souls
(Chorus)
Is this a vicious circle, is this a dead end
Who shall I believe today
What's the solution, and who shall I trust
And where shall I go
Asking is there any explanation
Oh Lord, I want to know
There must be a way to set us free
To show a face to find the key
To run straight ahead
To hope to have faith

What's in life the best priority

Oh Lord, I want to know

What am I living for

What am I hoping for

Which is my way

Where am I going

Show me the way

oh Lord, I want to know

(Chorus)

Is this a vicious circle
