[Talking]

Fellows, no way  
I can't let you be around here  
'Cause it's danger, it's a bad place  
And I can't tell you why, but I will  
Come in a little closer  
Back in the olden days  
This place used to be a scoop  
For white hood girls  
Little tods, chasing boys  
Taken by the nuns  
With their womb babies  
Hung themselves  
Now the place is haunt like crazy  
Bad karma sutra  
So you're gonna have to take  
Your boomboxes and yah Chuppa Chups  
And get out

I got a felling  
That nobody show  
What you're doing, what you're saying  
Anymore  
I got a love stream  
It's out of control, yeah  
You got feelings  
That no one really knows about

I'm going down  
To the middle of the abyss  
I'm gonna find myself  
A bitter sweet candy  
I'm going down to the witchdoctor door  
He's gonna find myself  
And brew me up a cure

And I feel like I'm in love for sure  
No more  
And I feel like I'm in love with you  
Oh it's true, it's true

I'm going down and no one really knows me  
I think I might sink down to the bottom of the sea  
I'm going down to the witchdoctor door  
He's gonna find myself  
And brew me up a cure

And I feel like I'm in love for sure  
No more  
And I feel like I'm in love with you  
Oh it's true, it's true  
Yeah baby, it's true  
Oh, darling, it's true

I didn't know you, but I wanted to to  
I didn't know you, but I wanted to to
