I'm burnin' up

You

You are the game that I wanna play

And I

I just wanna know your name

The way you dance, dance, dance on the floor

While everybody drink, drink, drink, drink some more

It got me thinkin' damn

I wanna take you back home with me

This club is so high

And you light it up it's ready to blow

Hands up, don't stop

If you're sexy then get out of control

Let's get fired up, get get fired up [repeat]

I'm burnin' up, 'in up

I'm burnin' up, 'in up

I'm burnin' up, 'in up

So, all you sexy people burn it up

[Rap]

You not tryin' to sweat cuz you have worn a nice dress

Do you think, do you think your stylin'

Took a shot now she is whylin'

Haha reversin', poppin', drop it, drop it, stock markin'

She wet and I'm coast guardin'

I let my boy Nick tell em wh-wh whats poppin'

The way you shake, shake, shake, shake that ass

It makes me wanna come, come, come, get it fast

You got me thinkin' damn

I wanna take you back home with me

This club is so high
And you light it up it's ready to blow
Hands up, don't stop
If you're sexy then get out of control
Let's get fired up, get get fired up [repeat]

Let's go!

I'm burnin' up, 'in up
I'm burnin' up, 'in up
I'm burnin' up, 'in up
So, all you sexy people burn it up

[Rap]

So everybody that is hot
Just cool off here and just take a shot
Put your cup in the air
And say you don't care
I don't care
(I don't care, I don't care)
Put your cup in the air and say you don't care
(I don't care, I don't care)
Put your cup in the air and say you don't care
Cuz it's burnin' up in here

I'm burnin' up, 'in up
I'm burnin' up, 'in up
I'm burnin' up, 'in up
So, all you sexy people burn it up
