Running from all the situations
You mess me up
You bring me down

I'm waiting for the right moment
To lift me up to let you in, my life
Yeah

Don't wanna live in time without your love
Cause no one else can make me feel this way

To love me is gonna take a lot
But I can't wait till the end of forever
Believe me it ain't ever gonna stop
Could it be tonight or till the end of forever
Oh yeah

Driving on a runaway freeway
It's killing me I know it's eating you
Oh dreamin' so we can go there
All I need is you to show me the way
Aw yeah

Can you see the fear of tears in my eyes
I know you feel it baby
I gotta make it right
Yeaaaaaaaah

To love me is gonna take a lot
But I can't wait till the end of forever
Believe me it ain't ever gonna stop
Could it be tonight or till the end of forever
Oh yeah

All my life I've been waiting for a sign to show me
To lead me to the other side

To love me is gonna take a lot
But I can't wait till the end of forever
Believe me it ain't ever gonna stop
Could it be tonight or till the end of forever

Oh yeah
