Running from all the situations  
You mess me up, bring me down  
I'm waiting for the right moment  
To lift me up, let you in my life

Don't wanna live inside  
Without your love  
'Cuz no one else can  
Make me feel this way

To love me is gonna take a lot  
Well, I can't wait 'til the end of forever  
Believe me, ain't nothing gonna stop  
Could it be tonight or 'til the end of forever?

Driving on a runaway freeway  
It's killing me, I know it's eating you  
Oh, dreaming, so we can go there  
All I need is you to show me the way

Can you see the fear of tears in my eyes?  
I know you feel me, baby  
I gotta make it right

To love me is gonna take a lot  
Well, I can't wait 'til the end of forever  
Believe me, ain't nothing gonna stop  
Could it be tonight or 'til the end of forever, ever?

All my life I've been waiting  
For a sign to show me  
To lead me to the other side

To love me is gonna take a lot  
Well, I can't wait 'til the end of forever  
Believe me, ain't nothing gonna stop  
Could it be tonight or 'til the end of forever?

To love me is gonna take a lot  
Well, I can't wait 'til the end of forever  
Believe me, ain't nothing gonna stop  
Could it be tonight or 'til the end of forever?
