For all the pretty girls I say yea yea yea

To all my girls in the USA
You gotta fine thing goin' so I gotta say
You've been good to me so now I'm down
Gotta drop the lines gotta give you a shout

L.A. girls give me the sign
See you on the strip, lookin' too damn fine
My Texas honeys always on the road
Give me lots of love at the Alamo

To my D.C. girls working nine to five
With the business suits keep the country in line
All the Tampa Girls, let me hear you scream
On the Ybor Strip, rockin on the street, yeah

Why
Does she walk that way?
Why
She spends my money the American way
Why
Coast to coast, New York to L.A.
Why
To all my girls in the USA

I got a little thing in Denver Hills
A real fine Mama with a sex appeal
And Boston's got the ones I love
With the college girls at the Aria

And I've always been down with the NYC
Because I love the legs of Miss Liberty
Hawaii girls they make me the lai
When I wanna treasure hunt for some candy

And I still gotta get my desert fix
Get some Vegas girls and go spend some chips
To my Carolina girls, let me rock you all
To my Jersey girls chillin' at the mall

Why

Does she walk that way?
Why
She wears stars and stripes and she's ready to play
Why
Coast too coast, New York to LA
Why
To all my girls in the USA

(Girls in the USA)
She'll make you hot when ya
(Girls in the USA)
She makes you hot from the East Coast to the West
Coast
All around the world we're singing

(Girls in the USA)
She'll make you hot when ya
(Girls in the USA)
She makes you hot from the North down to the dirty
South
All around the world we're singing

Gimme the, gimme the, gimme the pretty girls them,
hey
Them a girls get a know that in, hey
[Incomprehensible] pretty girl them
Me why you fe shout out, "Yea, yea, yea!"

Gimme the pretty girls me why, you say, "Why?"
Lot of love fe you want you say, "Why?"
Gimme a U and a S and a A
For all the pretty girls, just say, "Yea, yea, yea!"

To all the girls I mighta missed
Don't take offense you're on my list
If you wanna yell let me hear you say
God bless the girls of the USA

Why
Does she walk that way?
Why
She spends my money the American way
Why
Coast to coast, New York to L.A.
Why
Oh, oh, oh yeah

Why
Does she walk that way?
Why?
Wears stars and stripes and she's ready to play

Why?
Coast to coast, New York to L.A.
Why?
To all my girls in the USA
