Girl I love to watch you
You're like candy to my eyes
Like a movie that you see you gotta watch just one
more time
With that smile you're wearing
It's a beautiful disguise
It's just something you put on to hide the emptiness
inside

And you seem so lonely
But you don't have to anymore
If your a heart without a home
Rebel without a cause
If you feel as though your always stranded on the
shore
Like a thief in the night
Let me steal your heart away
Baby if for reasons what your lookin' for

I'll be yours
I'll be yours

I'll be a new sensation
One you never had before
I got a feelin' if I give you some you'd probably want
some more
Did you know that baby
Your the bluebird in my sky
I only wanna make you happy 'cause I love to see you
fly

And if you feel lonely
You don't have to anymore
If your a heart without a home
Rebel without a cause
If you feel as though your always stranded on the
shore
Like a thief in the night
Let me steal your heart away
And baby if for reasons what your lookin for

I'll be yours

I'll be yours
I'll be yours
I'll be the raft in the tide
I'll be yours
I'll be the truth in the light
And what's more
When no one opens the door
I'll be the hope
That's what your lookin' for

If your a heart without a home
Rebel without a cause
If you feel as though your always stranded on the
shore
Like a thief in the night
Let me steal your heart away
And baby if for reasons what your lookin' for

If your a heart without a home
Rebel without a cause
If you feel as though your always stranded on the
shore
Like a thief in the night
Let me steal your heart away
And baby if for reasons what your lookin' for

I'll be yours
I'll be yours
