Girl I don't know what to say
I feel so insecure
So I start off by sayin' a cliché
Like I've seen you before
Oh yeah

And why play games
In all these dates
Who needs flowers?
When all you wanna say is

I just wanna take you home
We can make a story of our own
Please don't get me wrong
I just wanna

Don't you hate it when you stress
And makes you go numb?
And when you get that feeling of regret
And it makes you wanna run
Oh yeah

But there I am, playing nice
Meeting your parents
When all I wanna say is

I just wanna take you home
We can make a story of our own
Please don't get me wrong
So please don't get me wrong
I just wanna

Tell me that you feel the same
Someone please explain
Why we have to play games
Instead of just sayin'?

Yea, all i wanna say is
I just wanna go

I just wanna take you home
We can make a story of our own

Please don't get me wrong

I just wanna take you home
We can make a story of our own
Please don't get me wrong
Please don't get me wrong
So, please don't get me wrong
I just wanna take you home
I just wanna
