Ooooh yeah

Open up your heart to me  
And say what's on your mind, ohh  
I know that we have been through so much pain  
But I still need you, in my life, this time

And I need you tonight  
I need you right now  
I know deep within my heart  
It doesn't matter if it's wrong or right  
I really need you tonight

I figured out what to say to you, mmmm  
Sometimes the words, they, they come out so wrong,  
ohh yes they do  
And I know in time that you will understand  
That what we have, is so right, this time

I need you tonight  
I need you right now  
I know deep within my heart  
It doesn't matter if it's wrong or right

All those endless times  
We tried to make it last forever more  
And baby I know  
I neeeeeeed you, oh oh, yeah  
I know deep within my heart  
It doesn't matter if it's wrong or right  
I really need you

Ohhh

[Key change]  
(I need you tonight)  
I need you oh I need you baby  
(I need you right now)  
It's gotta be this, it's gotta be this  
I know deep Within my heart  
No it doesn't matter  
If it's wrong or if it's right

All I know is baby  
I really need you  
Tonight  
Oooooooo
