You  
You are the game that I wanna play  
And I  
I just wanna know your name  
The way you dance, dance, dance on the floor  
While everybody drinks, drinks, drinks, drinks some  
more  
It got me thinkin' damn  
I wanna take you back home with me

This club is so high  
And you light it up it's ready to blow  
Hands up, don't stop  
If you're sexy then get out of control

Let's get fired up, get, get fired up  
Let's get fired up, get, get fired up  
Let's get fired up, get, get fired up  
Let's get fired up, get, get fired up

I'm burning up and up  
I'm burning up and up  
I'm burning up and up  
So all you sexy people burn it up

You not tryin' to sweat cause you have worn a nice  
dress  
Do you think, do you think your stylin'  
Took a shot now she is whylin'  
Haha reversin', poppin', drop it, drop it, stock markin'  
She wet and I'm coast guardin'  
I let my boy Nick tell em wh-wh whats poppin'

The way you shake, shake, shake, shake that ass  
It makes me wanna come, come, come get it fast  
You got me thinkin' damn  
I wanna take you back home with me

This club is so high  
And you light it up it's ready to blow  
Hands up, don't stop  
If your sexy then get outta control

Let's get fired up

Let's get fired up  
Let's get fired up  
Let's get fired up  
Let's get fired up  
Let's get fired up  
Let's get fired up  
Let's get fired up  
Let's get fired up!

Lets go!

I'm burning up and up  
I'm burning up and up (let's go, let's go, let's go)  
I'm burning up and up  
So all you sexy people burn it up

So everybody that is hot  
Just cool off here and just take a shot  
Put your cup in the air  
And say you don't care  
I don't care  
Yo I don't care  
Put your cup in the air and say you don't care  
I don't care, I don't care  
Put your cup in the air and say you don't care  
Cause it's burnin' up in here

I'm burning up and up  
I'm burning up and up  
I'm burning up and up  
So all you sexy people burn it up

I'm burning up and up  
I'm burning up and up  
I'm burning up and up  
So all you sexy people burning up

I'm burning up
