Just One Kiss - Nick Carter

Just one... Just one [x2]

Don't turn away, don't close the door
I couldn't take it
We've got find out for sure
Before there's no turning back
If this is a start of the end of the road
I've got ask before you go

[Chorus]

If I could have just one kiss
If that's all it is, I know that is over
If I could have just one kiss
If there's something more
We could start over

If I could have just one [just one] kiss
Just one
If I could have just one [just one] kiss
Just one

I've been a fool just standing by
Watching it coming to this
But now I'm here
Stand and fight
For all the promisses
If this is a start of the end of the road
I wouldn't back, I'd let you go

[Chorus]

If I could have just one kiss
If that's all it is, I know that is over
If I could have just one kiss
If there's something more
We could start over

If I could have just one [just one] kiss
Just one
If I could have just one [just one] kiss
Just one

We told that we'd find a way forward
We just need to find what we miss
So what if we look like we're crazy
For hangin' it all on this

Don't turn away, don't close the door

[Chorus]

If I could have just one kiss
If that's all it is, I know that is over
If I could have just one kiss
If there's something more
We could start over

If could have just one [just one] kiss
Just one
If I could have just one [just one] kiss
Just one
