i used to love a girl  
sometimes i still think i do  
thinking about her makes me a little crazy  
she used to be my world  
how could we be split in two  
we were just like peas in a pot  
i'm officially losing my mind,  
chasing behind her heart  
this just can't be real

so i gotta let go, go, go  
cos she let go, go, go  
so long ago, go, go  
it hurts to move on  
but i gotta let go, go, go  
cos she let go, go, go  
from my mind, my body, my soul  
i gotta let it go

i tried to play the field  
lost my share and won a few  
i never really hit one out the park  
i guess i wasn't here  
trying to forget the truth  
life without you left me with a scar  
i'm officially losing my mind,  
chasing behind her heart  
this just can't be real

so i gotta let go, go, go  
cos she let go, go, go  
so long ago, go, go  
it hurts to move on  
but i gotta let go, go, go  
cos she let go, go, go  
from my mind, my body, my soul  
i gotta let it go

so i gotta let go, go, go  
cos she let go, go, go  
so long ago, go, go

it hurts to move on  
but i gotta let go, go, go  
cos she let go, go, go  
from my mind, my body, my soul  
i gotta let it go
