Maybe baby
I should've saved
Those left over dreams
So funny
But here's that rainy day
Here's that rainy day
They've all been talking about
Lalalalala
And I laughed at the thought
That it might turn out this way

The rain is falling down
Falling down on me

Where is that worn out wish
That I threw aside
After it brought my love so near
It brought my love so near so near

It's so funny how love becomes
A cold rainy day
Funny, that rainy day
Is always here
With me
