Wake, wake, wake up
Get Some, Get, Get, Get some
Wake up
And smell, smell, smell the speed
Smell long smell hard
Until you know the smell
Like I know the taste
But you can't taste.
You haven't for months the non-taste over-whelming
Three is company you and me and the taste
The non-taste
Breakfast of champions at the dinner table life
BREAK HARD BREAK FAST
Break their hearts
Breaking their families hearts
Break them all right in front of their face
It's starting over again
Can you feel it?
We're starting over again
Do you feel it yet?
Do you feel it yet? Do you feel it yet?
I need to waste away
WASTE AWAY
I need a waste, a waste of time
I need a waste, a waste of time, a waste of life
I need a waste, a waste of time, a waste of life, a waste
of space
We'd die tonight, tonight if we weren't already dead.
They make graveyards for the likes of us, the likes of
us.
I'm, I'm dead
And your, your, your, your dead too.
Get Right
GET RIGHT, GET RIGHT WITH IT
And give up the things you never needed
Uggghhh
