Albert, he goes west  
He crosses the vast indifferent deserts of Arizona, oh  
yeah  
He had a psychotic episode on a dude ranch  
That involved a bottle of ammonia

Henry, he went south and lost his way  
Deep in the weeping forests of Le Vulva  
He grew so wan, he grew so sick  
He ended up in a bungalow sucking a revolver

Even the light up on your rainy streets offers many reflections  
I won't be held responsible for my actions

Bobby, he goes north then he goes east  
Then over to New Hampshire  
Bobby is a cautious man  
He walked into a Concord dive to drink a beer

Do you wanna dance?  
Yeah, do you wanna move?  
Yeah, do you wanna dance?  
Do you wanna groove?  
I said this world is full of endless abstractions  
I won't be held responsible for my actions

Me, I ain't going anywhere  
Just sit and watch the sun come up, I like it here, oh  
yeah  
I watch the people go ticking past  
Go hey, hey, hey, you know, I gotta say I like it here

Alright  
Sha, la, la, la, sha, la, la, la  
Sha, la, la, la, la, la, la, la, la, la, la, la  
Sha, la, la, la, sha, la, la, la  
Sha, la, la, la, la, la, la, la, la, la, la, la

[illegible]

Sha, la, la, la, la, la, la, la, la, la
