In his boat and through the dark he rowed  
Chained to oar and the night and the wind that blowed  
Horribly 'round his ears

Under the bridge and into your dreams he soars  
While you lie alone in that idea-free sleep of yours  
You've been sleeping now for years

And he wants you  
Yes, he wants you  
And he is straight and he is true

Beneath the hanging cliffs and under the many stars  
where  
He will move, all amongst your tangled hair  
And deep into the sea  
And you will wake and walk and draw the blind  
And feel some presence there behind  
And turn to see what that may be  
Oh, babe, it's me

And he wants you  
Yes, he wants you  
He is straight and he is true

And he wants you  
He wants you  
He is straight and he is true
