I am the King, I am the kind
One dead marine through the hatch
scratch and scrape this heavenly body
every ince of winning skin
there's garbage in honeys sack again
honey honey honey honey
come on and kiss me
Honey honey honey
honey's child is taken over this place
two dead marines standing in line
drink to me! this heavenly body
every inch a winning thing
honey honey honey
hack hack hack hack this heavenly body
yack yack yack yack yack goes junk-face
scratch scape scratch this winning skin
there's garbage in honey's sack again
garbage in honey garbage in honey
garbage in honey's sack again
garbage in honey
