First: I tried to kill it with a hammer
thought that I could lose
the head
sure! We've eaten off the silver
when even the food was against us
and then I tried to kill it in the bed
Second: I gagged it with a pillow
but awoke the nuns inside my head
they pound their goddy-goddy fists
from the inside-so from the outside
I got good: I stuck it. Dead
Thirdly: I put my lips upon it
And blew a frost across
its flat
I wrote upon its outside-surface
"Tonight we're on the outside surface"
Just you and me girl: You and me and the fat
