Let me say this to you
I'll be steadfast and true
My love will never falter

The sea would crash about us
The waves would lash about us
I'll be your Rock of Gibraltar

Sometimes it's hard
When we're both caught off guard
There's nothing I would ever alter

The wind could howl round our ears
For the next thousand years
I'd still be your Rock of Gibraltar

Yes, I'll be your Rock of Gibraltar
Oh, I'll be your Rock of Gibraltar

Well, the best thing I done
Was to make you the one
Who I'd walk with down to the altar

And you'd stand by me
And together we'd be
That great steady Rock of Gibraltar
Yes, the great steady Rock of Gibraltar
Oh, the great steady Rock of Gibraltar

Under the big yellow moon
On our honeymoon
I took you on a trip to Malta

And all through the night
When you held me so tight
Your great, steady Rock of Gibraltar

Oh, your great, steady Rock of Gibraltar
Yeah, your great, steady Rock of Gibraltar

Could the powers that be
Ever foresee

That things could so utterly alter?

All the plans that we laid
They could soon be betrayed
Betrayed like the Rock of Gibraltar

Betrayed like the Rock of Gibraltar
Yes, betrayed like the Rock of Gibraltar
