Yesterday the sun was shining but you're finding  
The sun don't shine all the time  
A winter day suddenly came your way  
And you ran into your mind

Sleeping Annaleah, weeping Annaleah  
You think you're ready for me?

Oh and yesterday is gone forever and ever  
Never to be again  
You looked for the sunshine that brought  
Warmth to your mind but find only rain

Sleeping Annaleah, weeping Annaleah  
No, you're not ready for me

But when yesterday becomes a memory  
A memory that we uncovered in time  
If you still remember that cold December  
I reigned in your mind

Sleeping Annaleah, weeping Annaleah  
Then you'd be ready for me

Sleeping Annaleah, weeping Annaleah  
Sleeping Annaleah
