Come in, babe, across these purple fields  
The sun has sunk behind you across these purple fields  
That idiot-boy in the corner is speaking deviated truths  
Come on, admit it, babe, it's a wonderful life

If you can find it, if you can find it  
If you can find it, it's a wonderful life that you bring  
Ooh it's a wonderful thing

Speak our secret into your hands and hold it in between  
Plunge your hands into the water and drown it in the  
sea  
There will be nothing between us, baby, but the air that  
we breathe  
Don't cry, it's a wonderful, wonderful life

If you can find it, if you can find it  
If you can find it, it's a wonderful life that you bring  
It's a wonderful, wonderful thing

We can build our dungeons in the air and sit and cry  
the blues  
We can stomp across this world with nails hammered  
through our shoes  
We can join that troubled chorus who criticise and  
accuse  
It don't matter much, no we got nothing much to lose  
but this wonderful life  
If you can find it, and when you find it  
And when you find it, it's a wonderful life that you bring  
It's a wonderful, wonderful, wonderful thing

Sometimes our secrets are all we've got with our lives  
we must defend  
Sometimes the air between us, babe, is unbearably thin  
Sometimes it's wise to lay down your gloves and just  
give in  
Come in, come in, come in, come in to this wonderful  
life

If you can find it, and if you find it  
It's a wonderful life that you bring

It's a wonderful, wonderful thing

It's a wonderful life, it's a wonderful life

It's a wonderful life, it's a wonderful life

It's a wonderful life, it's a wonderful life
