Zoo-music girl, zoo-music girl
Our life together is a hollow tooth,
spit out the shells, spit out the shells,
You know exactly what I'm talking about
Don't drag the orchestra into this thing
Rattle those sticks, rattle those sticks
The sound is beautiful, it's perfect!
The sound of her young legs in stockings
the rhythm of her walk, it's beautiful
Just let it twist, let it break
let it buckle, let it bend
I want the noise of my zoo music girl
zoo-music girl zoo-music girl
My body is a monster driven insane
my heart is a fish toasted by flames I kiss the hem of
her skirt
We spend our lives in a box full of dirt
I murder her dress and she loves it
If there is one thing I desire in the world is to make love
to my zoo-music girl
zoo-music girl, zoo-music girl
The sound is beautiful! It's perfect!
I call out her name in the night
Zoo-music girl zoo-music girl
I call her by her family name
zoo-music girl zoo-music girl
Oh God! Please let me die beneath her fists
Zoo-Music Girl Zoo-music girl
