Such a feelin' comin' over me
There is wonder in most everything I see
Not a cloud in the sky
Got the sun in my eyes
And I won't be surprised if it's a dream

Everything I want the world to be
Is now coming true especially for me
And the reason is clear
It's because you are here
You're the nearest thing to heaven that
I've seen

(*) I'm on the top of the world lookin'
down on creation
And the only explanation I can find
Is the love that I've found ever since
you've been around

Your love's put me at the top of the world

Something in the wind has learned my name
And it's tellin' me that things are not the
same
In the leaves on the trees and the touch of the breeze
There's a pleasin' sense of happiness
for me

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here
