I'm walking down a street
I don't know nobody's name (they don't know me)
I got no friends here
I don't see anyone I wanna meet

It's a lonely town and it's a lonely day
I feel my lonely heart, but I gotta stay

Can't go home no more (No, I gotta stay)
Kicked right down to the floor (I gotta stay)
It's feeling like hard times (But I gotta stay)
Seems like a place I'll hate (But I gotta stay)

It's a bad looking place
I don't see anything good (it's all insane)
They wanna see me break
Everything they throw down, I have to take

It's an evil town and it's an evil day
I feel an evil stare, but I gotta stay

Can't go home no more (No, I gotta stay)

Kicked right down to the floor (I gotta stay)
It's feeling like hard times (But I gotta stay)
Seems like a place I'll hate (But I gotta stay)

They'll try to make me be how they want me to be
Do what they want me to do
See what they want me to see
It's hell they're gonna put me through
But I gotta stay

Can't go home no more (No, I gotta stay)
Kicked right down to the floor (I gotta stay)
It's feeling like hard times (But I gotta stay)
Seems like a place I'll hate (But I gotta stay)

Can't go home no more (No more no more)
Kicked right down to the floor (Right down to the floor)
It's feeling like hard times (Feeling like hard times)
Seems like a place I'll hate (But I gotta stay)
