This garden that I built for you  
That you sit in now and yearn  
I will never leave it, dear  
I could not bear to return  
And find it all untended  
With the trees all bended low  
This garden is our home, dear  
And I got nowhere else to go

So bring it on  
Bring it on  
Every little tear  
Bring it on  
Every useless fear  
Bring it on  
All your shattered dreams  
And Iâ€™ll scatter them into the sea  
Into the sea

The geraniums on your window sill  
The carnations, dear, and the daffodil  
Well, theyâ€™re ordinary flowers  
But they long for the light of your touch

And of your trembling will  
Ah, youâ€™re trembling still  
And I am trembling too  
To be perfectly honest I donâ€™t know  
Quite what else to do

So bring it on  
Bring it on  
Every neglected dream  
Bring it on  
Every little scheme  
Bring it on  
Every little fear  
And Iâ€™ll make them disappear

So bring it on, bring it on  
Bring it on  
Every little thing

Bring it on  
Every tiny fear  
Bring it on  
Every shattered dream  
And IÂ'll scatter them into the sea
