First: I tried to kill it with a hammer
Thought that I could lose
The head
Sure! We've eaten off the silver
When even the food was against us
And then I tried to kill it in the bed
Second: I gagged it with a pillow
But awoke the nuns inside my head
They pound their goddy-goddy fists
From the inside-so from the outside
I got good: I stuck it. Dead
Thirdly: I put my lips upon it
And blew a frost across
Its flat
I wrote upon it's outside-surface
"Tonite we're on the outside surface"
Just you and me girl: You and me and the fat
