Janey's gone now and she won't be back no more
It was only yesterday I went knocking on her door
Now she's gone away
We won't see her no more

Little Janey's gone now
Janey's gone now
Janey's gone now
Janey's gone

Little Janey's gone now
Janey's gone now
Janey's gone away

Oh yes, she's gone away
Oh man, that's for sure

Little Janey's gone now
Janey's gone now
Janey's gone away

Janey's gone, oh people, oh Lord
Little Janey is gone
She was the only one that we all could dip and dong
Now she's gone away
We won't see her any no more

Little Janey's gone now
Janey's gone now
Janey's gone now
Janey's gone

Little Janey's gone now
Janey's gone now
Janey's gone away

Oh yes, she's gone away
Oh man, that's for sure

Little Janey's gone now
Janey's gone now
Janey's gone away

Janey's gone now and she won't be back no more
We'll have to find some other place to go and score

Now she's gone
Don't you see
They're gonna throw away the key

Little Janey's gone down
Janey's gone down
Janey's gone away
