I've been contemplating suicide,  
But it really doesn't suit my style,  
So i think i'll just act bored instead  
Who can take (alt: and contain) the blood i would've  
shed?

She makes me feel so ugly (alt: so weary) (alt: so ill at  
ease)  
My heart is really on it's knees  
But i keep a poker face so well  
That even mother couldn't tell

But my baby's so vain  
She is almost a mirror  
And the sound of her name  
Sends a permanent shiver down my  
Spine

I keep her photograph against my heart  
For in my life she plays a starring part  
All alcohol and cigarettes  
There is no room for cheap regrets

But my baby's so vain  
She is almost a mirror  
And the sound of her name  
Sends a permanent shiver down my  
Spine

She makes me feel so ugly  
My heart is really on it's knees  
But i keep a poker face so well  
That even mother couldn't tell

But my baby's so vain  
She is almost a mirror  
And the sound of her name  
Sends a perennial shiver down my  
Spiii-yi-yiiii-yi-yiiii-yi-yiyiyi-ine
