Zoo-music girl, zoo-music girl  
Our life together is a hollow tooth,  
Spit out the shells, spit out the shells,  
You know exactly what I'm talking about  
Don't drag the orchestra into this thing  
Rattle those sticks, rattle those sticks  
The sound is beautiful, it's perfect!  
The sound of her young legs in stockings  
The rhythm of her walk, it's beautiful  
Just let it twist, let it break  
Let it buckle, let it bend  
I want the noise of my zoo music girl  
Zoo-music girl zoo-music girl  
My body is a monster driven insane  
My heart is a fish toasted by flames I kiss the hem of  
her skirt  
We spend our lives in a box full of dirt  
I murder her dress and she loves it  
If there is one thing I desire in the world is to make love  
to my zoo-music girl  
Zoo-music girl, zoo-music girl  
The sound is beautiful! It's perfect!  
I call out her name in the night  
Zoo-music girl zoo-music girl  
I call her by her family name  
Zoo-music girl zoo-music girl  
Oh God! Please let me die beneath her fists  
Zoo-Music Girl Zoo-music girl
