From right here, I can see your future is bleak
You wanna charge into the game but it was usually free
Keep your high hope bound tight and glued to the weak
You alright when you quiet, but you will loose when you
speak
Jaw blessed, fond of the progress
The way that I'm pursuing this perfection
You would think that I'm obsessed
I will not rest, till your heart it's in my palm
Protect you from the non sense, they put in the songs
I run on, all my... track, records got me scooping up all
the lost minds
They finish with
My girl pin it should we call it till it cover...
What I represent is truly limitless
2 sides to every story told,
Don't know just ask Tray Barn and George Zimmerman
Double for I'm giving in,
Deliver this my destiny
I'm Manchild but you can call me Gregory

[Hook] x 2

Stand and deliver this, just hold your interest
Speak with the infinite, voice to move masses
Path walking this uphill is rigorous
Burn with the passion
And then back to ashes

This ember glows, see remember the flow
We walk tall with the few rollie willing to go
My... cause it's official, now we live inside a militant
post
It's... to give it up attention much longer
Fist to the heavens and it becomes our motto
... with double on... so they can escape if they wanna
So I warned them... eyes to the screen
When I rain down on ya
Flip those channels...
Wise to the residents,...
That's the reason I'm the opposite of hazard
And I only got a limited time here to get it in

We all heard that death is a must, ashes to ashes, dust
to dust

We all know that death is a must, ashes to ashes, dust
to dust

We all heard that death is a must, ashes to ashes, dust
to dust

We all know that death is a must, ashes to ashes, dust
to dust

[Hook] x 2

Stand and deliver this, just hold your interest

Speak with the infinite, voice to move masses

Path walking this uphill is rigorous

Burn with the passion

And then back to ashes.
