[Intro]

I feel I gotta go ahead and put this conversation out of  
my body,  
you know what I'm talkin bout? Yo  
I do this shit for Houston  
So um, we ain't congregation I need you to put your  
hands up  
Yo yo, I do it for y'all  
The ones who got they hands up, I do it for y'all  
Ha ha, I do it for y'all

Yo, here I go  
Let me catch the base and face em and make a  
statement  
And thank the people who graciously make this shit  
possible  
See it got a lot to do with a lot of you  
DJ, promoters, club owners, the ones who be bumpin it  
with your drops of rules  
Crack oh yea I like that, see I know they still love  
To the ones that download and smoke one and start to  
rolling it up  
To the ones who bid ounces, they one up in the H, what  
it do?  
I'ma go rap like I'm sposed to and show you  
How the youngin ride real, real slow mo through  
A city that I ain't from, chucking deuces up out the roof  
With my hands up high, lookin feel go cool  
Actin like a nigga ball shit, I do it for y'all, y'all,

[Hook]

To the ones who like to hustle, hustle hard  
I don't knock up nigga job  
Shit, I do it for y'all  
But the ones who hela broke and ain't got nothing at all  
I don't knock that either man, I do it for y'all  
To the ones who tryna rap but don't think it jumped off  
I'm telling you, you a star man, I do it for y'all  
But to the girls in highschool, skipping it and act a rule  
Doing a fuckin fool, just fightin over a dude

A cheerleader or the one who playin basketball  
I ain't trippin, I applaud cause I do it for y'all, y'all

To the niggas in high-school, actin bad up in class  
First period math, iPhone, iPad, 3 season 2 up on blast  
To the ones who skip school actin cool but they got no  
hope, feel like nothing  
To the ones that doubt, they wanna drop out  
But I know what you goin through youngin  
And I promise that I used to stunt but had no lunch, yea  
I'm that dude  
Then I walk up in the class cause at the teacher I'm that  
rude  
The next and out of that one, try to go out to that school  
But they wouldn't let me in cause I was filled up with  
tattoos  
And the ones with no self-esteem that just follow the  
ballers  
End up in the locker room and all they need suckin and  
swallowing  
Cause they say she a model and then they leave her in  
stalls  
Ain't no feeling involved, okay I do it for y'all, y'all

[Hook]

To the ones who like to hustle, hustle hard  
I don't knock up nigga job  
Shit, I do it for y'all  
But the ones who hela broke and ain't got nothing at all  
I don't knock that either man, I do it for y'all  
To the ones who tryna rap but don't think it jumped off  
I'm telling you, you a star man, I do it for y'all  
But to the girls in highschool, skipping it and act a rule  
Doing a fuckin fool, just fightin over a dude  
A cheerleader or the one who playin basketball  
I ain't trippin, I applaud cause I do it for y'all, y'all
