Ha, and you just don't listen  
Head copped sideways, no he didn't  
Ends plugged up like a comic edition  
Try to tell you but you just don't listen

No, no, no, no, no, no, no  
No, no, no, no, no, no, no

Girl, I want you,... train at high speed  
Running with a big light right behind me  
You don't wanna liste, it's ok  
You wanna make your...  
He's so great, who you thinking you talk to?  
You mean by the things he bought you  
Plans gonna fall through  
And when the seeing is all true  
She just doing things we all do  
Deeper than...  
To the letter of the law,  
Something deep in his eyes, say he better ignore  
Eyes better than a medicated... in charges  
... and all the people that he stepping on the steadiest  
course  
Visibly he's looking at every report  
Till finally he's stepping on more

No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
Told you once before  
About that boy, but you didn't listen  
No, you didn't listen

No, no, no, no, you ain't wanna listen  
You see it as a project, mission  
Friends advice are like cooks in the kitchen  
You look at them and you just don't get it  
... thought he was seek and he just need healing  
Had a girl but you thought you'd steal it  
Went in from a phone call girl...

He was married but now he's...  
True love so you think you found it  
Oh no, no, no buddy, that's not in my style  
Wonder why you got it right now  
Answer all the questions that you got like how  
Know who's with you when you turn the lights out

No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
No, no, no, no, no, no, no  
Told you once before  
About that boy, but you didn't listen  
No, you didn't listen x 2
