cause im
from the place where the purple swag came from
down south city, 3rd coast, ridin' wide, nigga drive
slow
behind tint, eyes closed, hydro
got a nigga tippin', wood grain grippin' when they ride
4's
now tell me what you know about that
we the ones who showed them how to come down,
and to chunk deuce bitch
what you know about the
swishahouse, rap-a-lot, dope house, swuave house,
and the screwed up click
MLK sunday, niggas ridin'
candy paint 4's, never will collidin'
air max, fubu jersey, southsidin'
stop reppin' if you not from my end
and pay homage
to the ones who got the whole world talking about
they 'put it up with two cups'
purple drank up in the sprite, that's houston
now everybody talkin' about 'they screwed up'

big hawk, big moe, dj screw
got the world sippin, drankin'
movin' at a slow pace now
talkin' like we fell off
but they try to be just like the suffer
and niggas reppin just like they from h-town
but they not, i put a stop to this
cause most of you niggas im not rockin with
OMG it's AMG over everythang
the underground king
red and yellow, on my rocket shit
and you aint gotta ask nobody who the motherfuckin'
next is
between me and you
im the best bitch
and even though i saw different than
you can motherfuckin' bet this
im reppin' this for houston, texas
so when you grab your double cup

get your ice, and then you think to po' up
to get slowed up,
remember where you got it from, hol' up
