[Intro: Marcus Manchild]

She want it (she want it)  
Got-got to say that she lonely (she lonely)  
Alright (alright)

[Verse 1: Marcus Manchild]

Wassup, wassup,  
Shoutout to the women who all run a while when they  
man gone  
No shirt, pants gone  
Dissapear whenever gotta run away baby damn wrong  
Fuck him, 'cause he ain't home  
And ain't no pussy tell him what she can and she can't  
do  
Don't think too  
Times while just defeat ain't the purpose that a nigga  
even came through  
Blame who  
Not me, Manchild in it than I put it down  
Better check for lost and found  
You might lose the chick when the crook's around

So when you gone, I go get'er, I'm that nigga  
And I watch her like babysitters  
Ignoring you 'cause I'm with her (Yeeaaah)

[Chorus: Marcus Manchild]2X

When he gone, she call, she wrong and she know it  
She says that she can't take no more and she want it  
Ok, I'm in it, then wait, 'cause I want it  
We wrong, forget if we wrong

[Verse 2: Slim Thug]

We grown, he gone so we own  
Just hit me on my phone  
When she home and we gone  
You might think that we wrong  
But please don't speak without knowin'  
This girl so bad, got so much ass  
At the same time still got a lot of class  
Always sayn' how I treat you so bad  
Can't stand to see you looking out so sad

So I take her to bed, take her to the bit  
Let a little pain out with a little hit  
Let her gon' ride some revenge of out her  
She will hot feel how real nigga got her  
beat it from the back so she feel love  
she Love a man but she loves this thug

[Chorus: Marcus Manchild]2X  
When he gone, she call, she wrong and she know it  
She says that she can't take no more and she want it  
Oke, I'm in it, & i wait 'cause I want it  
We wrong, forget if we wrong

[Break: Marcus Manchild]2X  
She hit me up on my phone  
Like Marcus hey watcha doin'  
I told her I'm comming over  
'Cause we finna to make a movie  
With me she be having fun  
She know that it's going down  
Told her to hit me upup  
When a nigga go out of town

[Chorus: Marcus Manchild]  
2X
