(Verse 1)

Yesterday, I got outta bed nothing seemed to be wrong  
Except the fact that it had been 2 days since you called  
I kept making sure that my phone was on  
And I don't wanna come to the conclusion  
That you and me were an illusion  
Cause it would be something that I don't think that I  
could handle very well

(Chorus)

I want love, no more pain  
I wanna hear you callin' out my name  
I want fairytales, no more rain  
I'm ready do you feel the same?  
Because I cant stop, wont stop, 'til I get what I want  
Baby all that I want is you  
Because I cant stop, won't stop, 'til I get what I want  
Baby all that I want is you  
I want love

(Verse 2)

Don't make me say, the things that I don't really want to

Were passed the games, don't they just get in the way?  
Our love's enough and a couple sorrys  
And I don't wanna come to the conclusion  
That you and me were an illusion  
Cause it would be something that I don't think that I  
could handle very well!

(Chorus)

I want love, no more pain  
I wanna hear you callin' out my name  
I want fairytales, no more rain  
I'm ready do you feel the same?  
Because I cant stop, wont stop, 'til I get what I want  
Baby all that I want is you  
Because I cant stop, wont stop, 'til I get what I want  
Baby all that I want is you  
I want love
