If you've ever been lonely  
Then you'll understand  
Why I treasure every smile you show me  
And every touch of your ha-and

I've been waiting a long time  
For a girl like you  
Oh and maybe this will be the right time  
For all my dreams to come true-ue

I wanna make you my lady, make you my lady  
Love is so hard to find girl  
I wanna make you my lady, take you my lady  
Then you'll be forever mine gir-irl

Do you think I'm pretendin'  
Do you think I'd lie, baby  
Oh it could be never endi-in'  
If you'll give it a try-y

I wanna make you my lady, make you my lady  
Love is so hard to find girl  
I wanna make you my lady, take you my lady  
Then you'll be forever mine gir-irl

Gonna fly-y over a rainbow  
Gonna find a heaven on earth we can share  
Paradise is not far away, so  
Just show me you care  
And I'll take you there-ere...

I wanna make you my lady, make you my lady  
Love is so hard to find girl  
I wanna make you my lady, take you my lady-y

I wanna make you my lady, make you my lady  
Love is so hard to find gir-irl  
I wanna make you my lady, take you my lady  
Then you'll be forever mine gir-irl

I wanna make you my lady, make you my lady

Then you'll be forever mine gir-ir-ir-irl...
