Here I am again, dreamin' on a Saturday ni-ight  
Ask me if I'm feelin' alri-ight  
And I'll tell you how I feel the moment I awake  
Dreamin' takes me far away-ay

Oh-oh-oh, here I go again  
Actin' like I'm some kind of foo-ool  
Breakin' all the golden ru-ules  
And I don't know why I feel this way over you  
Baby, don't you know I do-oo  
I love you true

Every now and then lookin' for a fa-allin' star-ar  
Wonderin' in my mind where you are-are  
And that photograph of you is fadin' away  
Everytime I steal a gla-ance  
This is my last romance  
Last romance

May-aybe she'll come back to me and say-ay-ay  
I'm sorry boy, leavin' you is not the way-ay, oh-oh-no  
I could not ask for you to give a second cha-a-ance  
Knowin' well that this could be your last roma-a-ance  
Oh, last romance

Every now and then lookin' for a fa-allin' star-ar  
Wonderin' in my mind where you are-are  
And that photograph of you is fading away  
Everytime I steal a gla-ance  
This is my last romace  
Last romance  
Oh-oh, my last romance  
Oh-oh-oh, this is my last romance  
Last romance  
Oh-oh-oh, this is my last romance  
Last romance [fade]
