No use pretendin' things will still be right
Theres really nothin' more to say-ay
Ill get along without your kiss goodni-ight
Just close the door and walk away-ay

Never gonna fall in love again
I dont wanna start with someone new-ew
Cause I couldnt bear to see it end
Just like me and you-ou
No, I never wanna feel the pain
Of rememberin' how it used to be-ee
Never gonna fall in love again
Just like you and me-ee

At first we thought that love was here to stay-ay
The summer made it seem so ri-ight
But like the sun we watched it fade away-ay
From morning into lonely ni-ight

Never gonna fall in love again
I dont wanna start with someone new-ew
Cause I couldnt bear to see it end
Just like me and you-ou
No, I never wanna feel the pain
Of remembering how it used to be-ee
Never gonna fall in love again
Just like you and me-ee

Never gonna fall in love again
I dont wanna start with someone new-ew
Cause I couldnt bear to see it end
Just like me and you
No, I never wanna feel the pain
Of rememberin' how it used to be-ee
Never gonna fall in love again
Just like you and me-ee
