Yeah,
Baby why treat me like that
say you feel a way you never felt before
baby tell me whats your plan this aint real
Oh no,

Baby please dont talk like that
saying things like you can never ask for more
baby take a few steps back lets make a deal
your going a thousand miles per hour wait...
if you dive off the edge then i cant be the one you
blame
and you cant take it back

So dont you go fallin in love with me
cuz i `ll only break your heart
dont go falling in love with me
cuz i `ll only break your heart

ohhh ohh ohhh ohh
(Break your heart)

Baby why you want this so bad
i`m the type to start a fire and lock the door
how could you not care about my past
interest enough to put your heart in my hands
your going the extra mile making me feel safe
but if i dive off the edge with your heart in my hands
would you follow me
Ohhhhoood,,

Dont you go falling in love with me
cuz i `ll only break your heart
dont go falling in love with me
cuz i `ll only break your heart

Dont you go falling for me
im just saying im no good for you
and dont you go feeling complete just like me yeahhh
yeah,

dont you go falling in love with me
cuz i`ll only break your heart
dont go falling in love with me
cuz i`ll only break your heart
hold on baby dont break my heart (X4)
