your eyes, your lips, your smile, your touch
i'd never thought i'd miss them so much
i know i messed up, i confess it
when i said i love you i meant it
tell me this is all in my head
if i pinch myself will i wake up and find you next to me
if i wake up from this nightmare, promise i'll do
anything

cos you are the reason i'm standing
you are the reason i sing
you are the reason i'm living
you are my everything
you are the reason i breathe
i'm begging on my knees
don't leave me, don't leave me

your face, your hair, your sweet oh oh oh (oh oh yeah)
i never thought i'd be so alone
wish i could turn back time and turn my wrongs to right
i think i'm losing my mind
if i pinch myself when i wake up and find you next to
me
if i wake up from this nightmare, promise i'll do
anything

cos you are the reason i'm standing
you are the reason i sing
you are the reason i'm living
you are my everything
you are the reason i breathe
i'm begging on my knees
don't leave me, don't leave me

whatever it takes i'll do it cos i need you to stay
what i gotta do to prove that i need you to stay
everywhere i go i can see your face
memories of us that i can't erase
part of my life that i can't replace
that's why i need you to stay

oh cos you are the reason i'm standing

you are the reason i sing
you are the reason i'm living
you are my everything
you are the reason i breathe
i'm begging on my knees
don't leave me (please don't leave me)
don't leave me (please don't leave me)

you are the reason i'm standing
you are the reason i sing
you are the reason i'm living
you are my everything

you are the reason i'm standing
you are the reason i sing (don't leave me)
you are the reason i'm living (don't leave)

i'm begging baby please don't leave
