### Verse 1

Just a kid with a dream  
I rap cause I love it and yeah it's a lot of hard work  
I'm only 8 years old! I wanna be the best MC that you  
ever have heard  
Spread love not hate 'cause even when it feels at times  
like it's less preferred  
Once you say mean things...  
You never can quite take back those awful words  
Look at who I am and judge my actions not what people  
say  
I really I wanna do right in the world but I disagree with  
people's hate  
So I'mma keep chasing after mine  
HA do it for the ones that believe the same  
Cause you can like me or not...  
but there's no doubt about it - I was born this way  
(Chyeah!)

### Hook

If I said my heart was beating loud  
If I could escape the hate somehow  
If I just respond with love right now  
Would you hold it against me?  
Cause this is my destiny  
and I need to speak up for what's right  
So if I just respond with love right now  
Would you hold it against me?

(He... is so... just trying to be... the next little....)

### Verse 2

Who? MattyB  
Just having fun  
On these tracks you know I run  
but what I wants to get better  
till my songs reach number 1  
(rap)  
And kids my age will see  
That no one can affect who you're gonna be  
But what you do's for the world to see

So I'mma show love to these big bullies but  
NOPE my parents don't make me - rap  
and I ain't no cocky little brat  
and I ain't gonna make money off this track  
so if you're gonna hate here's what I say BACK

Hook

If I said my heart was beating loud  
If I could escape the hate somehow  
If I just respond with love right now  
Would you hold it against me?  
Cause this is my destiny  
and I need to speak up for what's right  
So if I just respond with love right now  
Would you hold it against me?
