I keep on fallin'
In and out, in and out of love with you
Sometimes I love ya, sometimes you make me blue
Sometimes I feel good, and at times I feel used
Yeah lovin' you darlin', Oh, makes me so confused

I keep on fallin', in and out of love with you
I never loved someone the way that I love you

Oh Oh, I... never felt this way
How do ya give me so much pleasure
Cause me so much pain
Now just when I think
I'm takin' more than would a fool
Baby I start fallin' back in love with you

Now I keep on fallin', in and out of love with you
I never loved someone the way that I love you

Ooo...

Oh now I keep on fallin', in and out of love with ya baby
I never loved someone the way that I...

Yeah I keep on fallin', in and out of love with ya baby
I never, no I never loved someone the way that I
The way that I love ya baby, yes I do

So much pain, so much pain
