No other love
Baby I'm flyin'
No other love
Darlin' I'm flyin'

I can go
I can go anywhere
But no other love
Will take me there, ooh

No other love
Darlin' I'm flyin'
No other love
Darlin' I'm flyin'

I can go
I can go anywhere
But no other love
Will take me there, ooh

Baby I'm flyin'
Baby I'm flyin'

You know, I can go
I can go anywhere
But no other love
Is gonna take me there, ooh

No other love
Darlin' I'm flyin'
No other love
Baby I'm flyin'
Oh, I'm flyin'
