The sweet taste in my mouth  
The chill down my spine  
You're every man's dream  
A sight for sore eyes  
Yeah, I was so lost, Got in my own way  
Your love shattered the darkness, into a brighter day  
You're my eyes when I'm blind  
The truth when I told, you are the reason that I am at all

I won't let you go  
Girl, I'll keep you close by  
Yeah, I'm gonna need you, my love, mm mm mm  
Said when life is unkind  
You're here to comfort me  
When trouble is around  
With you there aint nothing  
That could ever hold me down  
You're the air that I breathe  
The net when I fall  
You are the reason that I am at all

When the sun comes up everyday  
I thank God that I found my way, to you  
When I close my eyes each and every night  
I know everything will be alright  
(feels so) feels so damn good (feels so damn good)  
I'm talking about...

The sweet taste in my mouth  
The chill down my spine  
You're every man's dream, ooh yes you are  
Said a sight, a sight for sore eyes  
Yeah, I was so lost, I Got in my own way  
Said Your love shattered the darkness, Into a brighter  
day  
You're my eyes when I'm blind  
The truth when I told, now you are the reason, that I am  
at all

You're the air that I breathe  
The net when I fall  
Honey, you are the reason that I am at all, mm

(You are) just wanna hug and kiss you baby (you are)  
Just wanna feel you all night long ( you are the reason )  
(you are) I need your love, (you are) I need your sweet  
love (you are)
